Dear Arthur,

Philippine Patent Application No. 33980
Corresponding to U.S. Serial No. 752022
Your ref: PM 1221 - Our ref: 27843

We have received an Official Action on this application which is due for response before 1st November.

There are some objections to the form of the Deed of Assignment which I am looking into. I attach a copy of the examiner's comments on our claims. I do not think that these present any real difficulty. We can probably agree to the rewording of claims 1 and 6 and alter the appendancies to satisfy the local rules.

I look forward to receiving your instructions to proceed.

Yours sincerely,

P. A. Smith
